Dear Loral,

Our experience with your firm has been exceptional. You are a pleasure to work with and you listen intently when we describe what needs to be done. You have completed two documents for us that required a great degree of formatting and polish.

All work was completed in a timely manner and at a reasonable cost. We will continue to use your firm when the need arises to create professional documents that require a high degree of quality for our business.

We look forward to continuing our close relationship with you.

Sincerely,

Curtis C. Brown, Jr.
