Loral Wright
Big Suit Business Services
1895 Mar West St., Tiburon, CA 94920

Dear Loral:

Thank you for all the great work you did for me creating my logo, letterhead and business cards. I have had some very positive feedback from all of them.

I used the letterhead on the first report I wrote for a client. It looked great. Everyone who gets a business card says that they like the logo.

I would happily recommend your services to anyone.

Best regards,

Alan F. Shirek
